THE SURF MISSION

To create “best of the best” experiences and opportunities for youth soccer players through our club, events and facilities.

We are Creating a Movement

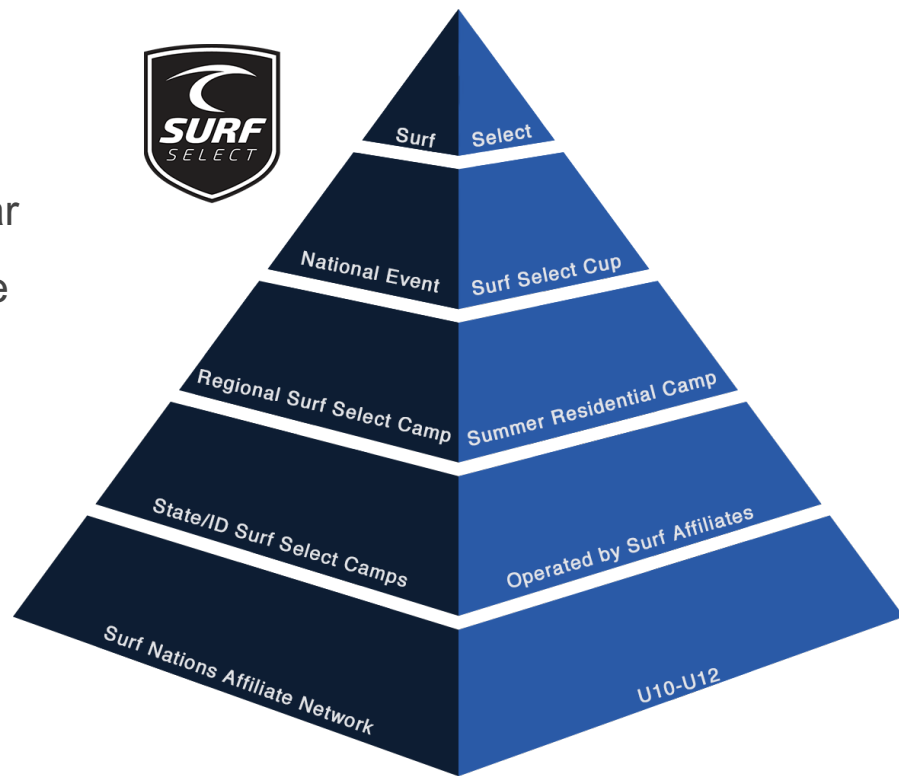

SURF NATION

- Started by San Diego Surf
- 28 Clubs and Growing
- Share resources, expertise and build best practices
- College placement programs
- Build regional Surf Select teams

SURF SELECT

- Expose Surf Nation players to a number of high-level soccer opportunities and experiences on a consistent yearly calendar
- Another pathway to become the Best of the Best
- Coach / Club picks players
- Built for U10 to U18 age groups
- International opportunities
- College Placement

U15-U19 Competitive Soccer

- Train to compete – compete to win
 - Where years of development comes together in competitive environments
 - Time for teams to put best foot forward
- 16-18+ roster sizes
- Premier and Elite team models
- Teams practice 2-3 x per week
- Play in Fall/Spring NorCal events – league, state cup and tournaments
- Surf Select

College Prep/Placement Program

- The Surf brand is synonymous with “college placement”
- As affiliates we have full access to surf resources
- As the network grows the system grows
- We will host college ID camps and have guest college coaches
- Use resources to get creative

Team Formation-Existing Members

- Coaches will contact you to find out what your plans are in order to firm up teams and age groups
- Rosters should stay the same with some suggested movement
- Goal is to have players registered by the end of May

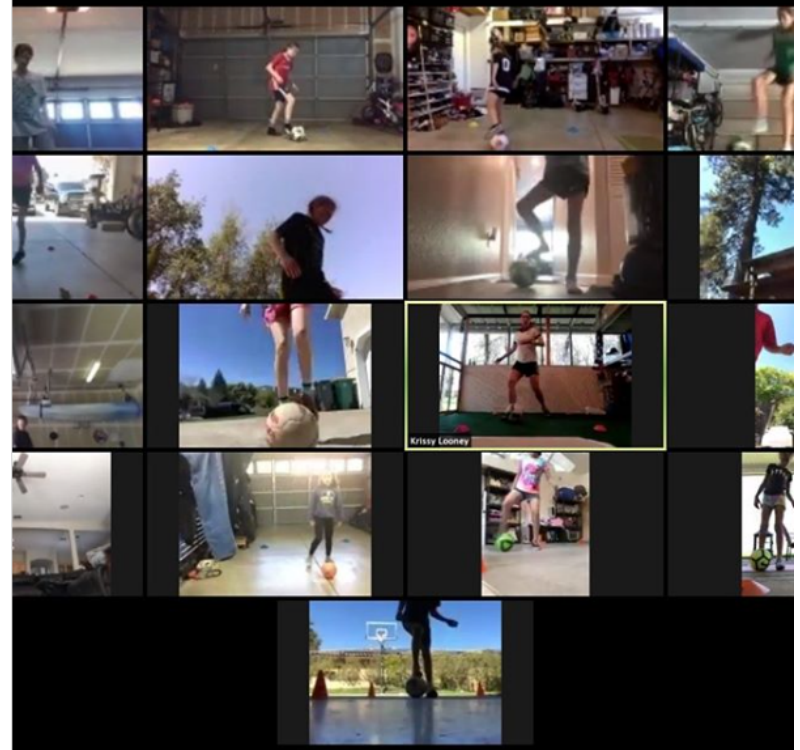

Try Out Window

- NorCal moved the tryout window to June 6 – 28
 - Not clear at this time if in-person, small or large group, online or could be delayed
- We will use this window to fill empty roster spots, form new teams should there be interest
- Until this time, NorCal non-recruitment rules apply
 - BE CAREFUL!! Let's be good neighbors.

RIGHT NOW – OFF THE FIELD

- Training continues – Zoom meetings, trainings, online challenges and more
 - To continue through May but limited
- Coach meetings/collaboration
- Going forward – Online training is here to stay
 - Assembling an “eSurf” team to design platform

GETTING BACK ON THE FIELD

- When?
 - TARGET: Programming starts June 1
 - Depends on Shelter in Place policy
- What will training look like?
 - In-person technical training skills
 - Use The Hub and fields when possible
 - In-person outdoor physical fitness
 - Our community is a gym!
 - Online platform- meetings/training/review

We are all in this together!

Questions we are getting

- How will you facilitate movement between levels if all players want to return to the program and their teams?
- If there is a TBA next to a team's age group, does that mean you will have a team in that age group for sure?
- Why combine two teams at the U17 level?
- Will there be refunds to membership due to having a shortened/modified season?
- When should I expect to hear from coaches about team formation?
