

1,500 college scouts and coaches attend Surf Soccer events annually.

In 42 years, **1,000+ Surf players** have been awarded scholarships and **157+ players** made the national team.

Only 8,000 to 9,000 university soccer roster spots exist for 100,000 high school seniors every year...

...that means between 8-9% make the team.

The Surf Soccer organization is known nationally for its college placement program, showcase tournaments, and college ID camps.

As its new affiliate, the Folsom Lake Surf Soccer Club will host Surf Soccer's College Director, Gareth Tomlinson to speak on the topics of being a scholar athlete, the admissions process, getting in front of college scouts, and making the team!
